

X-WALL POWER

XWH-XWP-03

Dual Power Delivery USB-C + Quick Charge USB-A Wall Charger Made with 100% recycled plastic

DESCRIPTION

New innovative and practical ECO solution, the X-Wall Power charger is made with 100% recycled plastic!

Its ultra-compact design and original flat shape make this charger very practical, taking up only the minimum space when plugged into the outlet.

Powerful despite its size, the 36W USB-C PD and the 18W USB-A quick charge ports allow you to quickly charge all compatible tablets and smartphones.

A power overcurrent protection help protecting your devices.

Its solid structure and recycled materials make this charger an efficient and sustainable solution.
