

X-POWER MAX

XWH-XPM-13

Ultra-powerful power bank for MacBook, iPad and iPhone
27,000mAh capacity; 140W power

DESCRIPTION

The ultimate travel solution, the XtremeMac X-Power Max allows you to charge any laptop, tablet or smartphone at full speed and in any situation.

Its large capacity of 27,000mAh provides a full charge to all MacBooks, and up to 10 recharges for iPhones.

In addition to its large capacity, its USB-C PD ports with a maximum power of 140W will charge all devices at full speed, including the MacBook Pro 16" in less than 1 hour.

Its smart screen provides all the necessary information: Remaining battery level, charging speed of connected devices, and temperature of the power bank to avoid overheating.

And an on/off button saves battery life when not in use.
